- **Digital Art:** Aseprite (pixel art, sprites, frame-by-frame animation), Blender (basic 3D modeling), Adobe Fresco (digital painting)
- **AI:** ChatGPT, Claude, Copilot, Google Gemini, AI-assisted debugging tools
- **Soft Skills:** Organization, Time Management, Problem-Solving, Communication, Collaboration, Adaptability
- **Languages:** English, Mandarin (fluent in written and verbal communication)

PROJECTS

Cycle of the Dead | *Unity, C#, Game Development, 2D Top-Down, UI/UX* Aug 2025 - May 2026 | Video | GitHub

- Developed a 2D top-down game in Unity with C#, including Wolf and Merman enemy AI.
- Designed all UI/UX, including menus, HUD, shop, tutorial, and Game Over screen.
- Created all level maps, integrated audio, and built a persistent record system.

Personal Portfolio | *HTML, CSS, JavaScript, UI, Front-end* Sep 2026 - Present | Live | GitHub

- Built a responsive portfolio website in HTML, CSS, and JavaScript.
- Designed a home page with a hero section, navigation, and About, Skills, Experience, and Projects sections.
- Created an Art page with a pop-up viewer and a Contact Me form that emails messages to me.

Graphic Reality | *HTML, CSS, JavaScript, UI, Front-end* Feb 2026 - May 2026 | Video

- Developed a front-end e-commerce prototype with a landing page, product pages, reviews, and cart.
- Built admin pages for bulk product upload and product editing.
- Implemented client-side traffic logging and an admin page to display all visits.

YouTube Data Analyzer | *Apache Spark, PySpark, Python* Feb 2026 - May 2026 | Video

- Developed a Python application using PySpark to analyze a large-scale YouTube dataset.
- Built a pipeline to load, clean, and structure raw data.
- Implemented top-k queries for top categories, popular videos, and highest-rated videos.

Blade of the Beyond | *Unity, C#, Game Development, 2D Platformer, UI/UX* Sep 2025 - Dec 2025 | Video

- Developed a 2D platformer in Unity with C# and responsive player movement.
- Designed all UI/UX, including menus, audio sliders, HUD, and Game Over screen.
- Programmed the audio system and designed all maps, levels, and some animations.

WORK EXPERIENCE

Sam's Club — Produce Associate Reno, NV | Summer 2022 – Summer 2024 (Seasonal)

- Assisted customers and performed quality control checks on produce freshness and labeling.
- Received, unboxed, and stocked merchandise, regularly lifting crates over 50 lbs.
- Maintained inventory, pricing accuracy, and organized displays using handheld devices.

Sakana Sushi Somersett / Sakana Express — Kitchen Helper Reno, NV | 06/2020 – 08/2021

- Coordinated orders with servers and sushi chefs to support efficient kitchen operations.
- Prepared ingredients and appetizers, including washing, chopping, and food preparation tasks.
- Restocked kitchen supplies and maintained workplace organization.
